Subject: FW: local air pollution

Good morning Exemption 6- Personal Privacy

Thank you for contacting USEPA Air and Radiation Division regarding Glatfelter Paper in Chillicothe Ohio. As you can see from our Enforcement and Compliance History Online (ECHO), the state of Ohio Environmental Protection Agency has issued two Notices of Violation to the facility. The resolution of these violations is being led by the Ohio EPA. They will have more information about the enforcement work there, although they may be limited in what they can release to the public since it is still an open case and the details may be enforcement confidential. ECHO can be accessed at: <https://echo.epa.gov/>

Sincerely,

Type of Response:

Subject: local air pollution

Hello,

I am writing to find out if anything is being done or is planned to be done about the very high levels of air pollution emitted by Glatfelter Paper Co. in Chillicothe Ohio. It has been a big problem during the last few years. I know that a lot of people have reported it and there is a lawsuit under way so I'm assuming you have the (real) details.
